that this statement must be made as a separate filing in order to properly invoke an interference.

Therefore, in order to effectively initiate the interference proceeding, the undersigned hereby states as follows:

The undersigned attorney for Applicant hereby declares that there is a basis upon which the Applicant is entitled to a judgment relative to the patentee, since the Applicant conceived of the claimed invention well before the filing date of the Keohane patent. The effective filing date of the present application, February 2, 2000, is three months or less after the effective filing date of the Keohane patent, January 19, 2000 such that the interference should proceed as set forth in 37 C.F.R. 1.608. Accordingly, a declaration of interference for claims 21-37 is respectfully requested.

If the Examiner requires any further statements or filings in this matter in order to appropriately invoke the interference proceeding, please contact the undersigned in due course.
